

BARWON HEALTH EMERGENCY REGISTRARS 2019 & 2020

If you are interested in working with a well-established team with excellent staff comradery, seeing a broad case mix and enjoying the bliss of living on the Bellarine Peninsula, you should visit University Hospital Geelong Emergency Department.

With an annual census of >75,000, 25% paediatric presentations, access to all of the major specialties except neurosurgery and an exposure to major trauma & marine toxinology, there's plenty of stimulating work to go around.

As an ED registrar, you have access to:

- 24 months accredited advanced ED training time (Urban District)
- Flexible & family friendly rostering via an online rostering platform
- 3 or 6 month rotations in:
 - ICU
 - Anaesthetics
 - Paediatrics
 - Acute General Medicine & Palliative Care
 - Obstetrics & Gynaecology
- 6 month rotation to Colac Hospital - Rural Special Skills
 - Urgent Care Centre - 2 days/wk
 - Anaesthetics - 1.5 days/wk
 - Quality & Safety - 0.5 days/wk
 - No after-hours commitment
- 6 month rotation to St John of God Geelong ED
 - Work directly alongside FACEMs on every shift
 - No night shift currently
 - Linked accreditation enables participation in ED teaching at University Hospital Geelong
- 5 hours fully protected & paid teaching time per week
- High success in Primary and Fellowship examinations owing to robust study programs, including Dr Tom Reade's renowned Fellowship Written Course
- Well organized & supported WBA roster to ensure completion of requirements
- Research opportunities both to fulfill trainee research requirement or for general interests

To apply for a position, please visit barwon.mercury.com.au and upload your CV and cover letter.
